Dated: 17-04-2026

NOTICE

Minor Project Evaluation Batch 2023 (3rd Semester)

The evaluation of **Minor Project-I and Minor Project-II** for the **Artificial Intelligence -Basket (Computer Science)** will be conducted by **Dr. Nahida Shafi** on **Monday, 20th April**, from **10:00 a.m. to 12:00 a.m.**, in the **Conference Hall**.

Students are required to bring:

- The hard copy of the project report summary.
- The **PowerPoint presentation (PPT)** to be used during the presentation and viva voce examination.

All submitted reports will be checked for **plagiarism**, so ensure that your work is original and properly cited.

The evaluation shall comprise objective questions, descriptive questions, and/or viva voce to **evaluate** the conceptual understanding of the students.
